[¶1.](#) The Department appreciates and accepts Mission's P-1 referral of Truong Van Duc and Nguyen Thanh Minh Tri and their dependents for refugee resettlement consideration.

[¶2.](#) Truong Van Duc: Cable states there is an older child not included in the case. If this adult child is unmarried and the last remaining family member in Vietnam, HRS should request DHS/CIS, at the time of the CIS interview, to consider this individual for humanitarian purposes.
